Colors shown are matched as accurately as possible, but may vary slightly from finished product. These rich and vibrant colors are produced with either Kynar 500[®] or Hylar 5000[®] resins, which provide superior color retention and allow Sheffield Metals to offer a 40-year non-prorated coating warranty for most applications. Coating warranty varies for Regal Red, Matte Black, Copper, Champagne, Silver, and Pre-Weathered Galvalume. Steelscape's Vintage carries a 20 year Finish Warranty.
